

Disclosure Policy for Sustainability Website

Editorial policy

In addition to the Toyota Industries Group's management policies, this site provides easy-to-understand information regarding its business, environmental initiatives, social activities and corporate governance over the past year as well as its future direction.

Period covered by Sustainability Website

This website focuses on activities carried out in fiscal 2023 (April 1, 2022 to March 31, 2023), but also includes some information outside this period.

Organizations covered in Sustainability Website

Toyota Industries Corporation and its consolidated subsidiaries

Reference guidelines

- Global Reporting Initiative (GRI) Standard
- ISO26000
- Japan's Ministry of the Environment *Environmental Accounting Guidelines* (2005 Version)
- Japan's Ministry of the Environment *Environmental Reporting Guidelines* (2018 Version)
- International Integrated Reporting Framework by IFRS Foundation

Update Period

- Currently available Sustainability information was updated in October 2023.
- Information will be updated annually, but if there is strong interest from stakeholders or major progress in a specific activity, an update will be made to appropriately reflect the latest information.
